Lt.-Colonel A. D. LePan,

Camp Borden, Ont.

Dear Colonel LePan:

We shall certainly endeavour to do the best we can without Captain Kenrick, tut it is extremely difficult to get proper help for instruction in Chemistry, and Professor Lash Miller was greatly pleased when I told him that there was a probatility that you would be back in Toronto by the time that the cold weather set in. If he has any assurance that there is a strong likelihood of his teing able to have Captain Kenrick's services from that time on we shall all be greatly pleased.

Yours sincerely,

President.
